

6th Grade Band – If you have a school owned instrument, please be prepared to turn it in on Monday, May 11th at packet pick up. If you do not come to packet pick up time, please leave the instrument at the office any time the school is open. You can also call me at 903-243-8767 to arrange a pickup time if you cannot come during school hours.

For an assignment, pick your favorite song from the entire year and perform it for someone in your home. If you have the capability, record it and send it to me dbilyeu@saltilloisd.net or text to 903-243-8767.

Jr. High Health Class.

Write one half page typed or one page written on the following prompt:

“The number one thing I learned about staying healthy this year is...”

Theatre Class

If you could write “CoronaVirus the One Act Play” Who would be the central characters? What would the plot be? Would the characters live or die? Write one page to describe it or write the ending scene just before blackout.

Choir

I miss performing right now. The best part about choir is not the note reading or learning rhythms, but the performance aspect. Find your favorite song and sing it for someone in your home. If you have the capability, record your performance and send it to dbilyeu@saltilloisd.net or text it to 903-243-8767. Remember school appropriate lyrics please!
