

Jr. High Health – Mr. Bilyeu

As we did earlier in the year, log your food and calorie intake all week long. As an assignment, turn in your calorie intake each day in a chart. Then write at least four sentences on how your food log compares to when school was open. Why do you think the change occurred?

Choir

Write one page on the following:

If you were to describe your favorite musical artist to an alien from space who had never heard music before, how would you convince them to like music? Be creative and have fun (appropriately).

6th Grade Band -

Continue to practice your instrument and record one song each week. You may send recordings either to dbilyeu@saltillisd.net, call and arrange a playing test to 903-243-8767, or through Essential Elements Interactive.

www.essentialelementsinteractive.com School code is SaltilloISBand99 Student code is inside your book.

Elementary music students have access to www.musicplayonline.com It no longer requires a username and password.
