

Work on AET or send me pictures of you doing any agricultural related work. I have not received many pictures. Pictures and hours need to be logged each week.

Email - [dneal@saltilloisd.net](mailto:dneal@saltilloisd.net)

Animal science- research and write a 500 word paper on how the pandemic has affected the agricultural industry. Cite websites. Final paper two weeks to complete.

If you do not login work hours either on paper or in AET then you also need to write a paper on above topic.

All work due by May 18.

Reminder young Farmer checks need to be picked up between 6-8 Tuesday May 5. Drive through only. Do not get out of vehicle. If you can't make the times, checks will be mailed. All awards will be handed out at banquet.

I miss you guys and hope all are well!
